WHAT YOU SHOULD DO

1. Complete the details on this form fully and truthfully. Provide as much information as possible;
2. Sign and return the form to eCollect. Our address is on the front of this page;
3. If you are comprehensively insured, lodge a claim form with your insurer marked "Report only". This will protect your rights and will not affect your no claim bonus if a claim is not made;
4. Refer any communications from the offending party / insurers to us. Do not communicate directly with these people;

WHAT WE WILL DO

1. Ensure that your vehicle is assessed by qualified assessors. There is no need for you to obtain any further quotes;
2. Make claim on the offending party or their insurers. Upon recovery of funds, we will pay the repairer directly for the repair;
3. All costs and charged will be paid by the offending party/insurance company. The repairer will also contribute to these costs and charges. There will be no cost to you unless you deal directly with the offending party or their insurance company; withdraw your claim or decide not to authorise the repairer to repair the vehicle or the claim is defended. If this occurs the charge to you will be based on the Magistrates Court Scale. You will be advised in writing and we will not proceed further until you agree.
